### Local News:

**2018 Local Season Planning.** Are you ready to improve your local sourcing for 2018? Would you like us to help you facilitate buying relationships with great, local farms in your area? Winter is the perfect time to sit down with your sales rep and a member of our local department to set local plans in motion for 2018. It may seem like 2017 is just ending and time for a break, but farmers are planning their harvest schedules and buying seeds and other supplies for their 2018 season. Make sure your local needs are in their plans! Reach out to Katie Farnoly, local farm coordinator, [kfarnoly@coastalsunbelt.com](mailto:kfarnoly@coastalsunbelt.com) and your sales rep and let's get your 2018 local needs addressed! We're standing by to assist and grow local sourcing for our region's family farms.

If you're unsure if local sourcing is for your business, please attend our Coastal Homegrown Hub Local Farm show on Jan. 17, 2018. There will be a presentation on how to put the Homegrown Hub to work for you. RSVP through your sales rep or via the flier today!
