Featured Farm: Colora Orchards, Colora, MD The Balderston family has been part of the farming community in Colora, Maryland since 1843. Stephen Balderston, fifth generation of his family to farm this land, has reengineered the farm from a full-time dairy into a full-time orchard, growing hundreds of acres of apples, peaches, and nectarines. Colora Orchards provides produce wholesale to grocery stores, markets, schools, and other distributors, as well as direct retail to customers at their own farm market.
